Mission and Vision

Proverbs 29:18 says, “Where there is no vision, the people perish.” At the end of 2019, we as a Church, were praying to God relentlessly to get a direction from Him to go forward with our Church. The only focus was to receive a vision from God to lead us to a mission in 2020 and the following years. We need to get a vision from God to be a part of the Great Commission (mission). The mission that is given to everyone is the same as mentioned in Matthew 28:19-20. We know the mission, but how to carry it out is the most important and challenging part. Our loving God graciously answered our prayers and gave us a vision to go forward in 2020. Based on the Great Commission of Jesus, our Church’s mission is to Teach the Word of God, Share the Love of God and Reach the people of God. Our vision is to build a family that is united in love, worships God in truth and Spirit, demonstrates the love of God through compassion, and shares the light of His hope to lead people to Christ. Our Church’s logo represents the purpose of our calling: lead people to the Cross to meet Christ and to begin a journey with Him to eternity. Let us take a walk with Him and share His love.

Trust in the LORD always, for the LORD God is the eternal Rock.

Isaiah 26:4 (NIV)

Trusting God and Putting Hope in His Promises...

We are living in uncertain times with an unknown end. It’s astonishing that a microscopic viral particle can instantly shake up the world we live in- the economy, healthcare, our careers, and even our very lives. It shows just how mortal we are and how little control we have over our own lives and the world. What does God tell us during this time? That he is still a sovereign God, and still on the throne.

Trusting in God can be one of the most difficult things to do. But it’s our only resort when faced with calamities. We need to have the hope that God is with us in the midst of the storms of life. We can bring all our worries to Him. It says in Philippians 4:6 -Do not be anxious about anything, but in every situation, by prayer and petition, with thanksgiving, present your requests to God.

In a time like this, we can be rooted in the hope of God’s promises. These promises aren’t about the American economy, or even the guarantee that we’ll be in perfect health. What then, has He promised?

John 16:33 I have told you these things, so that in me you may have peace. In this world you will have trouble. But take heart! I have overcome the world. Isaiah 41:10 So do not fear, for I am with you; do not be dismayed, for I am your God. I will strengthen you and help you; I will uphold you with my righteous right hand. Jeremiah 31:3- Call to me, he says, and I will answer you and show you great and mighty things, which you do not know.

YouVersion, the most popular Bible application for phones, announced that in the past 6 weeks, they’ve seen the largest increase in engagement, with more people using the app to search for hope and peace, share bible verses, and use the Bible App for Kids. This indicates that many people are beginning to question their mortality and are searching for answers.

“Trusting in God is one of the most difficult things to do. But it’s our only resort when faced with calamities.”

Maria Joseph

Expressions of Praise

Rachel Koshy

There are various methods that we can use to express our praise to God. The most common method is singing praises. In Psalms 96:2 it states, "Sing to the Lord, bless His name; Proclaim the good news of His salvation from day to day. Singing to the Lord does not require angelic voices. Your Father is the audience and He loves to hear you sing. The reason we sing to our Father is because He wonderfully made us. Our praises to Him should be done every day and not sporadically. Another method of expression is praising with instruments. In 2 Samuel 6:5, David and the entire house of Israel were celebrating before the Lord with different instruments. It is not a requirement that we play an instrument to praise God. We should be the Instrument that praises God. As our praises rise, the enemy is defeated. Finally, a free instrument we all have is our two hands which we can use to clap. In Psalms 47:1, the psalmist encourages us to clap our hands and make a joyful noise to our God. During this time of isolation, let us sing, play instruments, clap our hands to praise our God which will silence the enemy.

Kids Voice

Keziah is a five-year-old sweet little girl. She is always very curious about the Bible and she likes to learn Biblical stories. She aspires to be a great woman of God.

Youth Voice

Daisy Daniel

The youth of ICAG has always found ways to stay connected and get closer to each other and to God. At the start of 2020, we came together as a youth group and planned for numerous activities that were envisioned to take place throughout the year. During then, none of us anticipated the current predicament that we are facing. The whole world has now come to a halt, and so have many of our plans as a youth group.

During this confusing and complex time, we decided to start a daily Youth Prayer Line, where we pray for this situation of the pandemic to cease, for nations and leaders, as well as personal topics. As believers, we are taught to see God's plan in everything. Although it is hard to comprehend what that might be during such a time as now, the Prayer Line has helped us to bond with each other on a deeper level and open our eyes and hearts to God and His will.

Trusting God...

We can't predict what life will look like after this is over. But we can imagine that one day, we will look back at this time in history as a defining moment in which our relationship with God deepened and we heard His voice. God can bring revival, first to our own personal lives and then to our families and the church.

We know this is not the end, and that we will worship together again as a church body. God is working even when we can't see what he's doing or understand why he does things. With the lessons we've learned as individuals and as families, we can move forward in strength to influence our communities and the society where God has placed us.

Promise verse

I will go before you and will level the mountains;
I will break down gates of bronze
and cut through bars of iron.
I will give you hidden treasures,
riches stored in secret places,
so that you may know that I am the Lord,
the God of Israel, who summons you by name.

Isaiah 45:2-3
